What could you do with leftover paint?

Using up leftover paint is easy! There are so many projects you can do with the help of an adult, like painting an accent wall in your room, updating a piece of wood furniture, or painting a mural. What are your ideas? Draw or make a list of the things you would do with leftover paint.

For Educators and Parents

Paint manufacturers created PaintCare, a nonprofit stewardship organization to run recycling programs in states as they pass paint stewardship laws. Through PaintCare, the paint industry sets up drop-off locations for unused paint, arranges for recycling and proper disposal of the paint, and conducts outreach about proper paint management. Recycle with PaintCare

Imagine the possibilities of recycling paint. Color and design the paint can label to show how it can be used up and passed on to others.
